

Travel Grant Announcement - Athens 2017

The European School of Oncology (ESO, www.eso.net) is offering a limited number of travel grants to support the participation at the “IBUS: Multimodality Breast Imaging” Course being held in Athens, Greece from 08 – 10, June 2017

Travel grants are available on a competitive basis to doctors specializing in senology or doctors with experience in breast disease diagnosis and/or treatment

- Residing in the Balkan countries or in the Eastern European Region
- 40 years of age or younger
- With 2-3 years experience in breast disease detection, diagnosis and management
- With a special interest in improving the skills in the use of ultrasound for breast health care

Applications in English should be submitted by 5 May 2017 to scholarship@ibus.org and include the following documents:

- Short curriculum vitae (maximum 4 pages)
- Letter describing motivation for attending
- Letter of support by the head of department

The travel grant will cover:

- The course registration fees
- Educational materials related to the course
- The accommodation expenses during the course

Applicants will be notified of the application result by 12 May, 2017
