**Latvian Association of Roentgenologists and Radiologists**, and the  
**Latvian Society of Ultrasound in Medicine**.

---

# **IBUS - Advanced Breast Imaging Seminar**

Reval Hotel Latvia, Riga, Latvia

**Friday and Saturday, September 17 - 18, 2004**

---

## **- Session Topics -**

- Imaging strategies for cancer detection • Advantages and limitations of imaging modalities
- Differential diagnosis • Interventional procedures • Tumour extension and multifocality
- Screening strategies • Postsurgical imaging • Future directions

## **- Lecture Topics -**

- Historical perspectives of breast ultrasound • The "signal-to-noise" concept
  - The tomographic approach • Pathological spectrum of lumps
  - Current status of breast imaging • Imaging patterns of premenopausal women
  - Benign and malignant ultrasonic diagnostic criteria • Mammographic interpretation criteria
  - Use of colour Doppler to improve diagnostic accuracy of breast ultrasound
  - Cell harvesting • Tissue harvesting • Imaging of intraductal cancer spread
  - Preoperative staging of invasive cancer • Screening options for women at increased risk
  - The breast cancer screening program in Estonia: 2002-2006
  - Tissue reactions after breast conserving therapy • Imaging of the augmented breast
  - Colour Doppler and contrast enhancing agents • Computer-assisted detection
  - Quality assurance, guidelines and accreditation • Advances in breast ultrasound
- plus interactive workshops, panel discussions and case presentations**

## ***Invitation***

We wish to invite you to attend the IBUS - Advanced Breast Imaging Seminar to be held on September 17 and 18, 2004 at the Reval Hotel Latvia in Riga, Latvia. The seminar programme consists of lectures, workshops, panel discussion and case presentations, and has been organized by the International Breast Ultrasound School (IBUS) in conjunction with the Latvian Association of Roentgenologists and Radiologists (LRRA) and the Latvian Society of Ultrasound in Medicine.

This seminar is the first comprehensive breast teaching programme in the Baltic States, and has been structured to meet the requirements of continuing medical education with contributions from an expert local and international faculty.

We look forward to seeing you in Riga.

***Dr. Jack Jellins***  
**Founding President - IBUS**

***Dr. Ardis Platkajis***  
**President - LRRA**

---

### FACULTY MEMBERS

**Dr Edward Azavedo - Sweden**  
**Professor Dace Baltina - Latvia**

**Dr Jack Jellins - Australia**

**Professor Alexander Mundinger - Germany**

**Dr Sabine Pankl-Huber - Austria**

**Professor Rainer Otto - Switzerland**

**Dr Ingrida Slosberga - Latvia**

**Dr William E Svensson - United Kingdom**

**Dr Sulev Ulp - Estonia**

---

**Registration fee: € 220 - before August 17, 2004**

**Registration fee: € 260**

Concessional fees apply to members of the Baltic States or Eastern European medical societies

Registration fee: € 50 - before August 17, 2004

Registration fee: € 75
