INVITATION

We invite you to attend the “Modern Breast Ultrasound and other Diagnostic Procedures – Update” to be held from 24 to 25, February 2006 at the Technopark in Zürich, Switzerland.

The Update programme consisting of didactic presentations and interactive “Hands-on” workshop sessions has been organised as part of a continuing medical education programme series by the International Breast Ultrasound School (IBUS) and the Swiss Society for Senology.

The experience and contributions from the multidisciplinary team of the international experts and Swiss faculty will ensure a high quality teaching programme.

We look forward to seeing you in Zürich.

Professor A. Munding
President – IBUS

Professor R. Otto
Secretary – IBUS

Dr. Ch. Rageth
Swiss Society for Senology

FACULTY

Dr Liane E. Philpotts

Associate Professor of Diagnostic Radiology, Chief of Breast Imaging
Department of Diagnostic Radiology, Yale University School of Medicine, New Haven, USA
